PAN PACIFIC
TORONTO

**To Whom It May Concern:**

As the General Manager of the Pan Pacific Toronto hotel in North York, I am delighted to share our exceptional experience with Sheron Latibeaudiere, the owner of StageIt.One Inc., who assisted us with our Christmas decorations.

Upon meeting Sheron late last year, we were immediately impressed by her boundless energy and innovative ideas. She took the time to understand our vision, meticulously reviewing images and discussing colors and concepts to ensure the decor would complement our hotel's ambiance.

Demonstrating her expertise, Sheron proposed three budget options, with the highest being an aspirational goal for future events. Despite our late start due to internal delays, Sheron worked within our timeframe, and the hotel looked stunning for the holiday season. The "silver and gold" theme she implemented in our Seasons Restaurant and 900 Lounge, accented with subtle pops of red on the tables, received numerous compliments from our guests.

We are proud to have collaborated with her and wholeheartedly recommend StageIt.One Inc. We are already planning concepts for Christmas 2025 and intend to engage her services for other seasonal events like Easter.

I am more than happy to be contacted to discuss this reference and aspects of our business partnership with Sheron and can be reached via email at charles.otter@panpacific.com or by phone at +1 416 444 5513 (direct).

Yours faithfully,

Charles Otter
